DATA CHALLENGE 5.0 2026

RULES AND REGULATIONS OF THE COMPETITION

1) This competition is open to all undergraduate students, including diploma and degree students, from both public (IPTA) and private (IPTS) higher education institutions across Malaysia. Each team must consist of **three (3) to five (5) students** from the same institution and must be supervised by **one (1) academic mentor** from their respective institution.
2) Each team is required to submit the following **four (4) components**: infographic poster, project summary slide, presentation video, and interactive dashboard.
3) The **primary dataset** used in the project must originate from **Malaysia or any ASEAN country**. Datasets from countries **outside the ASEAN region are strictly not permitted**. All datasets must be obtained from **trusted, authentic, and official sources** (e.g. government portals, international organisations, or recognised institutions). All data sources must be **clearly stated and properly referenced** in both the infographic poster and project summary slide.
4) Projects must align with the theme **Data-Driven Insights for Sustainable Well-Being** and address at least **two (2)** of the following Sustainable Development Goals (SDGs):

   SDG 3: Good Health and Well-being

   SDG 4: Quality Education

   SDG 8: Decent Work and Economic Growth

   SDG 12: Responsible Consumption and Reduction

   Any project that does not comply with the competition theme or fails to demonstrate clear relevance to sustainable well-being **will result in immediate disqualification and will not proceed to any stage of evaluation.**
5) All documents and presentation materials must be submitted in **English**.
6) All competition materials must be submitted **on or before 29 March 2026 (Sunday), by 10:00 p.m.**, via the Google Drive platform provided by the organiser. Late submissions will result in a **10% deduction from the total marks**.
7) Competition Phases
   - **Phase 1**: Evaluation based on the four (4) submitted components.
   - **Phase 2: The top 20 teams** from Phase 1 will be shortlisted to participate in a live pitching session on **25 April 2026 (Saturday)**.
